

P2PStaking.org – Mnemonic Sheet

We provide on [self-custody](#) guides using [software](#) or [hardware](#) wallets.

This sheet is a simple template to store your mnemonic (seed phrase) with up to 24 words. If your seed phrase is shorter, you can leave the extra lines empty or cut the page where you prefer.

Keep this sheet offline, in a secure place, protected from water, fire, and any unauthorized access.

Important reminders :

- Never share this sheet: no photos, no scans, no copies online.
- Never type your seed phrase into suspicious websites or apps.
- Test a restore with a small amount before storing large values.
- Consider making one or more secure backups (safe, separate location, etc.).
